

Kelsey Goule (age 12) with proud dad Darren (age 42). Kelsey has just passed her 'B' and flew her Pulse beautifully.

The lads of the Dawn Patrol are great supporters of the RCM&E fly-in and we thank them for it. No-one can tire of seeing beautifully detailed 1/3-scale W.W.I biplanes.

Martin McIntosh's fine P-51D from the Tony Nijhuis plan was winner of the award for the best model built from an RCM&E plan. Well deserved.

Andy Green with his PB Models Chevron; beautifully made, as are all his models. He'd like it known that he's wearing a Tx harness and not braces!

Early Saturday morning as the campers awaken. 'Twas a very busy weekend, yet everyone seemed to fly as much as they wanted. That's good Greenacres organisation for you!

DELUXE
Materials

The finish is plane to see

Adjustable gloss to semi matt finish

A specially formulated water soluble dope for shrinking & toughening tissue

- Economical & easy to use
- Low odour, work indoors
